

# Z H A N G HAO

## CREATIVE VIDEO DESIGNER

### PROFILE

Creative Video Designer across commercial advertising, variety shows, and AI-assisted content. Skilled in ideation, scripts, storyboards, AI assets, editing, motion graphics, and delivery.

Use AI tools to create platform-ready video content and improve production through iterative creative optimization.

### EXPERIENCE

#### TEMU

##### Creative Video Designer

Marketing Department | Advertising Creative Team Aug 2023 — Present

Produce overseas advertising videos and social content from concept and asset production through editing and iterative optimization.

- Develop concepts, scripts, and video directions for campaigns.
- Edit ads, define pacing, package visuals, and deliver variants.
- Use ChatGPT, Midjourney, Kling, Seedance, and Nano Banana for creative assets.
- Optimize marketing creatives for campaign and platform requirements.
- Adapt pacing, messaging, and visuals for products, audiences, and platforms.
- Create content for TikTok, Facebook, Instagram, YouTube Shorts, and TEMU campaigns.

#### WEIZHONG MEDIA

##### Creative Video Design Intern

Variety Shows, Brand Campaigns & Events Jul 2022 — Jun 2023

Produced content for shows, campaigns, exhibitions, and events, with experience in planning, coordination, on-site execution, and post-production.

- Supported planning, design, editing, and post-production.
- Coordinated on-site filming, execution, and cross-team delivery.
- Led a five-member intern team during project execution.
- Worked across entertainment, brand, technology, and event projects.
